to-day manifested a pronounc s held fairly steady at the outset, shably was traceable to a number causes bearing more or less ditty upon security values. Railroad of other executives have recently on preaching the gospel of caution of conservatism, and these utterces were selzed upon yesterday, on a number of poor railroad retts was submitted, as somewhat in nature of a warning. Another unclesome influence is the persistency the which currency is given to rust that a Federal investigation of se-called "money power" is probes.

Inited States Steel to day, and the selling was naturally asociated with developments bearing upo. the Federal 'nquiry into the company's purchase of Tennessee Coal and Iron. In point of fact, however, steel was much stronger than many other speculative leaders, both Union Pacific, Northern Pacific and Reading losing two or more points. Bethlehem Steel, preferred, declined as much on a dental of rumors that dividends are to be resumed in the near future. Many of the more obscure specialties suffered heavily in the course of the session, which closed weak at about lowest prices.

The government cotton crop report fixing the average condition of that exaple at \$91, as against \$82, the previous month, and 75.5 in July of last year, seemed to exercise no influence marketwise.

The bond market reacted in sympathy with stick Total sales, par value, were \$1.635,000. United States government bonds were unchanged on call. Total sales for the day, 447.600 shares.
